A: good rule of thumb is to avoid common restricted proteins and allergens such as pork, seafood, and nuts.

Q: Do you provide ingredients, or do we purchase our own?

A: Typically, groups provide their own ingredients. In some cases, we can provide a protein, starch, and vegetable. Unfortunately, we won't be able to provide the details on what's available ahead of time, so if you have a favorite recipe you may want to purchase the ingredients yourself. **If you intend to use the ingredients we provide, please indicate that in the "comments" of your assigned spot and we will make sure they are available to you when you arrive.**
